### **AMARC-WIN 16 Days Broadcast against Gender Violence 2009 continues!**

Montreal, 8 December 2009. The 16 days of activism against gender violence continues with more contributions from our radio members worldwide.

The campaign is broadcast at [www.amarc.org/16days](http://www.amarc.org/16days)

Community radio producers from Asia-Pacific, Middle East, Africa, Europe, North America and Latin America and the Caribbean continue sending their programs to highlight the effort of women and men working to end the gender violence.

Radio stations around the globe are invited to download the audio files from the AMARC-WIN 16 day's website and broadcast them in their radio stations during the 16 days campaign.

These are some of the programs broadcasted in [www.amarc.org/16days](http://www.amarc.org/16days)

### **Original coverage of Montreal Massacre (1989)**

Women's International News Gathering Service, On Dec. 6, 1989, 14 women engineering students were murdered in Montreal for being "feminists." Women in the community and across Canada mobilized in response, with repercussions lasting until today. Report by Laura Yaros and Beth Blackmore of CINQ-FM's Matrix program, with actualities. Originally aired in WINGS: Women's International News Gathering Service. Edited by Katherine Davenport and Frieda Werden Comments: With the 20th anniversary upon us, this would be a good reminder to air, showing that Dec 6 was a tragedy that spurred major, effective activism that affected public opinion and should not be forgotten.
